7 Conditions for Success

**Opportunity for everyone:** To build a talent-strong economy, all Floridians need access to a postsecondary education and the supports to complete it.

**Clear information and guidance:** Students and families need exposure and counseling early and often to make informed decisions about their futures.

**Affordability:** Postsecondary education needs to be within everyone’s financial reach, regardless of household income or life circumstances.

**Multiple pathways to success:** Floridians benefit from multiple learning opportunities for academic achievement and career advancement.

**Lifelong learning:** No degree or credential is “one and done;” Floridians need to prepare for career changes through continuous learning.

**Effective use of data:** Transparent access to data on education and economic outcomes, especially for Florida’s diverse populations, helps achieve our goals.

**Community collaboration:** When community partners work together toward a shared vision, they remove barriers, build a robust workforce, and improve the quality of life for their regions.

QUESTIONS?
#DOTHEFAFSA CAMPAIGN

- The Do The FAFSA campaign is a national digital effort spearheaded by NCAN with the purpose of encouraging Pell Grant-eligible high school seniors and college students to complete the FAFSA.
- Goal: To help the Class of 2024 reach at least the same rate of FAFSA completion as the Class of 2023.
- Target population: Young people ages 17-20 with household incomes of $60,000 or less, with a particular emphasis on students of color.
- Spanish and English communication
CAMPAIGN MEDIUMS

- Paid advertising on Instagram, TikTok, YouTube, Twitch, and Snapchat.
- Influencers have been contracted to reach students via voices they know and trust.
- Anyone can take part by utilizing the publicly available social press kit linked at ncan.org/DoTheFAFSA.
- Use the hashtag #DoTheFAFSA.
TIMELINE & KEY MESSAGES

• Mid-May through August (Now!)
• Key messages include:
  • It is not too late for students to fill out FAFSA and get the money they need and deserve.
  • Most people who complete the form get some money to help pay for college.
  • More people than ever now qualify for financial aid.
  • The form is simpler, is now working, and takes as little as 10 minutes to fill out.
  • Past issues with the form, which have unfairly delayed students, have been resolved and students should do the FAFSA and get started on their future.

• NCAN is aware that many students continue to face difficulties completing the FAFSA. We continue to encourage the US Department of Education to resolve outstanding issues and make the form accessible for all.
To date, NCAN has raised nearly $2 million of the $4 million needed for this campaign thanks to our generous investors!
